Quality Products, Great Service, But Don't Take Our Word For It

You were so FAIR, SWIFT and HELPFUL during both election cycles for me last year, and I am thankful for it.

Sofia Rodriguez Mirwaldt, Allen County Democrats, currently Secretary, Indiana State Democratic Party

We've worked with ForeAmerica for over two years and use their products to increase donations for voter education and voter-related projects. We gladly recommend them to other political organizations.

Jim and Emy Thurber, California Democratic Party

We could only order a few tees at a time but still received wholesale pricing. That and the quick turnarounds helped us raise the money we needed.

Elaine Bohlmeyer, Gila County Democrats, Arizona

ForeAmerica has many political selections to choose from, and they customize their products for us at no extra charge. We really appreciate their personal service and ease of ordering, too.

Richard Zamora, President, Paso Robles Democratic Club

Thanks, ForeAmerica, you met our tight deadlines and your wholesale pricing helped us get out the vote during last year's campaign.

Simon Atlas, Treasurer, Montgomery County Democratic Central Committee, Maryland
